

# Multi directional switches

## INT-1700B

9 Directions, Through hole type

**Features :** One touch, multi way switching,  
distinctive tactile feel for scanning and select functions

**Applications :** Electronic devices requiring direction control  
on LCD display, Remote Controllers, CCTV cameras,  
Digital cameras

**Specifications :**

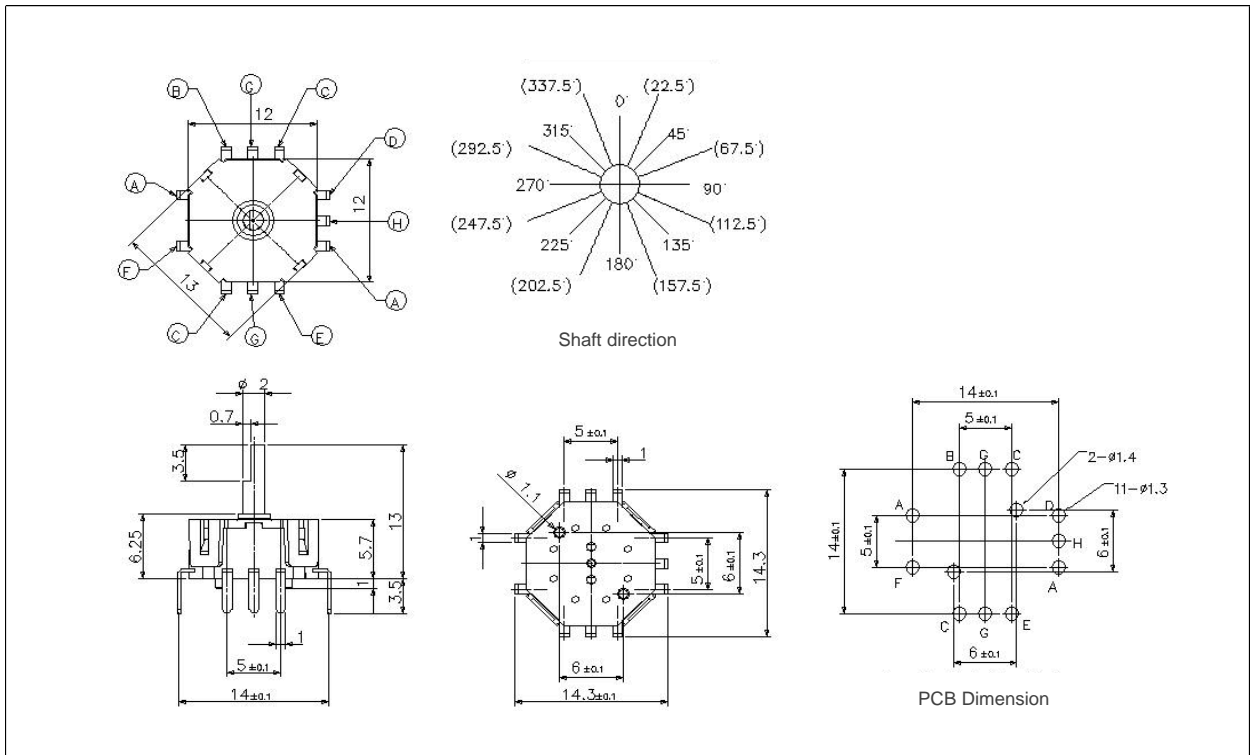

Rating	DC 5V 1mA
Contact resistance	1mΩ Max.
Travel (mm)	8 direction : 1.65±0.5 Center : 0.2±0.1

**Model list :**

Model No.	Length (mm)	Operating force		Life	QTY per pack (Plastic bag)
		8 Direction	Center		
INT-1700B	13.0	120±50gf	400±50gf	30,000 Cycles Min.	1K
